PLANS MATURING FOR NAWILIWILI HARBOR PROJECT

Program is to Acquire Site for Wharf by Condemnation Proceedings

What may prove a definite step in the securing of a breakwater by federal appropriation at Nawiliwili harbor on the island of Kauai will be the proposed to the territorial harbor commission at a meeting to be held tomorrow morning at 11 o'clock.

Commissioner James Wakefield stated today that a move is now on foot to present to the harbor board concrete plans for the condemnation of lands on what will eventually be the wharf and railroad sites at Nawiliwili when the breakwater project has been completed, in order that these lands may come from private ownership into the hands of the territory.

Mr. Wakefield has been broached on the subject and it is his understanding that the matter will be formally presented at the meeting set for tomorrow in the capital. He did not know today what lands are to be included in the condemnation plan or who are the owners.

It is said that the purpose of getting the lands under territorial control is to make easier the securing of a federal appropriation. As long as private persons hold the wharf and railroad sites it is not deemed likely that congress will appropriate funds which will multiply the value of these holdings. This is not congressional policy, it is argued.

On the other hand if the territory comes into possession of the sites and it is made plain to congress that not one individual or group of individuals will suddenly reap a harvest of wealth as a result of the breakwater being built, it is held much more likely that the project will be given backing.

Some of the congressmen recently visiting the territory touched upon this point in discussing various public improvements for which appropriations may be sought.

One of them remarked in a discussion of local conditions with a representative of the Star-Bulletin that he had found communities on the islands where it would be impossible for a newcomer to purchase land enough to put in a store that might compete with stores already established and owned by the select.

"This state of affairs should not exist," said the congressman, "and until Hawaii reaches a stage where she overcomes this condition she cannot well expect to be living out the general theory of American democracy."

BIG EATERS GET KIDNEY TROUBLE

Take Salts at First Sign of Bladder Irritation or Backache

The American men and women must guard constantly against kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a table-spoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders.

Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.—Adv.

Planters Want High Forest Lands Saved

Determination of the sugar interests of the islands to oppose the leasing of high forest lands for the grazing of cattle and other stock on the ground that such lands should be kept intact for water conservation, was plainly expressed this morning at the annual meeting of the Hawaiian Sugar Planters' association.

E. Faxon Bishop declared that he was in favor of getting after the government and camping on its trail so the forests of Hawaii would not be denuded by the grazing of stock on lands essential to make the conservation of water for the future a certainty.

Others expressed similar convictions following the reading of a report of the committee on forestry. This report was rendered by David Forbes, manager of Waialae plantation, acting as chairman in the absence of L. A. Thurston. Included in it was a "working plan for restoring conservation areas," submitted by C. S. Judd, superintendent of forestry.

One of the interesting suggestions made was that of W. O. Smith, who expressed the belief that attention to planting fruit trees should be given. Plantation managers told what was being done on their property to raise timber and get forestry conservation. Superintendent Judd was asked to answer question and tell what was being done.

He was of the opinion that the owner of every piece of land should do whatever he could as an individual owner, rather than through some joint action, and assured the assistance of his department. In response to a question he said he knew only of two places on this island where the forests were threatened by cattle grazing. This was at Hauula and in the Waianae mountains.

LOCAL AND GENERAL

The King's Daughters will meet this evening at Mrs. H. H. Williams' residence, 1374 Nuuanu avenue.

The regular monthly meeting of the Epiphany Women's Auxiliary and Guild will be held at the Guild hall, on 10th avenue, today, beginning at 2:30 o'clock.

Further argument in favor of the approval of the report recommending that four-year-old Richard Smart be given an allowance of \$11,050 a year will be heard by Circuit Judge Ashford next Thursday morning. Attorney D. L. Withington will present the argument.

Beginning at 8 o'clock tonight, the regular monthly meeting of the Graduate Nurses' Club of Hawaii will be held at the Library of Hawaii. On behalf of the fund for the Edith Cavell bed in the Belgian Circle, Mrs. Joseph Emerson will give a talk on Belgian relief work.

The regular monthly meeting of the Woman's Board of Missions will be held on Tuesday, December 4, at 2:30 p. m. in the parlors of the Central Union church. A report on the Japanese work in the city will be given by Miss Julia Gulick, and Miss Martha Chickering will speak on "Work for the Japanese and Other Aliens" on the coast.

Enlisted men who can lay rightful claim to British birth or ancestry will be guests of the British club at an entertainment to be given at Mission Memorial hall January 25, the anniversary of the birth of the poet, Robert Burns. At its meeting Saturday evening, December 8, the British club will perfect its plans for this entertainment.

Members of the special board of investigation named by Brigadier-General Samuel I. Johnson, adjutant general of the territory, to look into the charges that have been lodged against the recent national guard encampment at Kawaiaha will hold their first regular meeting tonight. At a meeting on Saturday afternoon the board organized.

The residence of Mrs. H. Bishaw, 958 Punahou street, was the scene of an attempted burglary Sunday morning. The burglar was caught in the act of climbing in through a bedroom window when a friend, Miss Sheldon, who was staying with Mrs. Bishaw, screamed. The burglar dropped to the ground and made his getaway. The police sent a bicycle officer to the house, and he remained there until daybreak.

TURN HAIR DARK WITH SAGE TEA

If Mixed With Sulphur It Darkens So Naturally Nobody Can Tell

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grandmother's recipe, and folks are again using it to keep their hair a good, even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the mussy mixing at home. All drug stores sell the ready-to-use product, improved by the addition of other ingredients, called "Wyeth's Sage and Sulphur Compound" for about 50 cents a bottle. It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur Compound is that, besides beautifully darkening the hair, after a few applications, it also produces that soft lustre and appearance of abundance which is so attractive. This ready-to-use preparation is a delightful toilet requisite for those who desire a more youthful appearance. It is not intended for the cure, mitigation or prevention of disease.—Adv.

WOMEN ARE NEEDED TO HELP IN WAR

Women can be usefully employed in nursing the wounded, in making up the soldiers' kits, and a thousand other ways. Many American women are weak, pale or anemic from womanhood; for women at the critical time; nursing mothers; and every woman who is "run-down," tired or overworked.—Dr. Pierce's Favorite Prescription is a special, safe, and certain help. It can now be had in tablet form.

Nothing stands so high, as a remedy for every womanly ailment as "Favorite Prescription." It's the only medicine for women put up without alcohol.

Dr. Pierce's Favorite Prescription is an invigorating, restorative tonic, a soothing and strengthening nerve and a positive remedy for the functional derangement, painful disorders, and chronic weaknesses peculiar to the sex.

Attorney General Merton P. Lewis gave an opinion to the effect that the suffrage and anti-suffrage parties are entitled to one watcher at every polling place in New York.

FUEL PREFERENCE LISTS SENT OUT

(Associated Press by U. S. Naval Wireless.)

WASHINGTON, D. C., Dec. 3.—Priority lists will be sent out today by the fuel administration to all of the coal producers of the country giving the general order of preference which orders for fuel are to receive.

Included in the list of the needs that are given priority government orders are placed at the head of the list and railway fuel coal for own use comes next. Household use is third on the list and after this follow public utilities, steel plants, coke ovens, munition plants, bakeries and restaurants.

NEGRO SOLDIER CUTS UP TWO HAWAIIANS

Two Hawaiians, Kahui and Wilson, were badly slashed last night by a colored soldier, E. Lewis, 25th Infantry, according to the police. The slashing occurred at a house on Hustace street, Kakaako. Lewis is held at headquarters charged with the cutting.

The two Hawaiians are not seriously injured, although they were given antiseptics last night under the care of the emergency hospital surgeon. They could take a number of stitches in their wounds. Kahui was badly slashed about the neck and Wilson was cut across the back and face.

The trouble is believed to have started over a woman. Just what part she played in the affair is not known definitely, but the police believe that one of the Hawaiians resented Lewis' attentions to her. One of the injured men fired a shot at Lewis, it is said, and the soldier drew a knife and started after the two. Lewis declares that he was attacked by the two Hawaiians and drew a razor in self-defense.

ARMY OFFICER ARRESTED

Lieut. Arnold Palanski, U. S. Reserves, will face Judge Harry Irwin in police court tomorrow morning, to answer charges that he attempted to drive a car while under the influence of liquor. Captain of Police Fred Laukea made the arrest at Heine's Tavern shortly after 11 o'clock Saturday night.

The lieutenant is said to have attempted to drive away from the hotel and was stopped by Capt. Laukea, who warned him against driving in that condition. The lieutenant is said to have been rather curt in his remarks to the police captain, and was finally taken to headquarters where he attempted to argue his way out of jail.

A captain of the regiment to which the officer is stationed appeared at police headquarters and guaranteed Palanski's appearance before Judge Irwin tomorrow morning.

MOOSE ENJOY BALL

An enjoyable ball was given at the armory Saturday evening under the auspices of Schofield Lodge No. 1060 and Honolulu Lodge No. 800, L. O. O. M.

The ball, attended by nearly 800, followed a grand Moose rally, which included speeches by Governor Pinkham and by George W. Gifford, well known Moose organizer. A drill team from Honolulu lodge, in white uniform, escorted Governor Pinkham from his automobile to the ball room.

Mr. Gifford illustrated his lecture with stereoscopic views of "Mooseheart," an institution kept up by Moose members for the orphaned children of former Moose members. The proceeds from the ball went to benefit these children.

A string band, under the direction of George B. Schrader, furnished dance music.

A. Y. Chong, charged with assisting in procuring, pleaded not guilty in Circuit Judge Heen's court today. He is represented by Attorney A. D. Larnach.
